WALL STREET.

Monday, Dec. 8-6 P. M.

Wall street today endured very considerable excitement—something like a spasm—prices jumping upward and marking a point which had not been attained since the panic. And it is evident that the panic has not been reached; that certain cliques are bent on driving their team until it loses breath and "breaks." Even waste paper sells. One hundred per cent advance has taken place in a stock that heretofore has scarcely commanded a price. We need not go further for an illustration of the existing mania. The present movement, indeed, shows nothing but a species of financial insanity which antagonizes argument, fact, experience—everything, and will doubtless work out its own results. Fortunately the area of speculation is circumscribed—bounded by the precincts of "change. We note among the reports of the day that a large Chicago firm has failed, involving a loss of \$1,500,000, of which \$700,000 is said to be due to one of the principal dry goods houses of New York. We have suffered so many misfortunes, however, that so small a sum is lost sight of in the general delirium. "Inflation" seems to be the watchword of the hour, and although an act of Congress may never pass which authorizes this condition the "street" is just as much exercised by a report as by a fact. A he answers quite as well as the truth, and fortunes will be made and lost accordingly.

AN AGREABLE EPISODE.

In the affairs of the street-to-day took place in the warm and hearty outpouring of congratulation with which one of the old magnates was welcomed to his office after the announcement that Judge Blatchford had signed an order terminating all proceedings in bankruptcy that had been commenced against him. There has been so much of such a nature and character that the prompt settlement of accounts amounting to more than thirteen millions of dollars, without recourse to law and on the basis of those equitable principles which rule among honest business men, naturally called for an exhibition of respect which was at once honorable to those who tendered and to him who received it.

THE MONEY MARKET.

No changes have occurred in the rates of the money market that call for special mention. They remain steady at 7 per cent currency and gold, with exceptional transactions at a commission and a more than usual discrimination as to the character of the borrower and his securities. The enhanced activity of the stock market has created a more urgent demand than heretofore, and some of the banks are said to be re-entering the labyrinth from which they were released by the issue of loan certificates, hoping to recover their former strength. Foreign exchange closed steadily at 104 1/2 a 105 1/2 for prime bankers' 60 days' sterling and 100 1/2 a 101 1/2 for demand.

THE GOLD MARKET.

Was uninteresting, although strong, especially towards the close, when sales advanced from 10 1/2 to 10 3/4, with a wind up at 10 3/4. The rates paid for carrying to day were 7, 6 and 1-32 per cent.

FOREIGN ADVICES.

The rate of discount in open market for three months' bills was 4 1/2, or 3/4 per cent below the Bank rate. Rates at Paris were steady at 85 1/2. Late London prices are as follows:—Consols for money, 92; consols for account, 92 1/2 a 92 3/4; fifty-twenty bonds of 1865, 90 1/2; fifty-twenty bonds of 1867, 91 1/2; fifty-twenty bonds of 1868, 91 1/2; fifty-twenty bonds of 1869, 91 1/2; fifty-twenty bonds of 1870, 91 1/2; fifty-twenty bonds of 1871, 91 1/2; fifty-twenty bonds of 1872, 91 1/2; fifty-twenty bonds of 1873, 91 1/2.

THE UNITED STATES TREASURY.

The following were the balances in the United States Treasury at Washington:—

Currency.....\$32,000,000
Gold.....84,000,000
Certificates.....36,000,000
Legal tenders outstanding.....36,000,000
Decrease since Saturday.....17,000,000
Internal revenue receipts.....462,000

The receipts from customs were \$308,000. It will be observed from the above official report that the decrease since Saturday in legal tenders is \$17,000. Yet it was reported on the street that the entire \$44,000 of reserve had been exhausted, that there was an increase of issue amounting to \$2,000,000, that Secretary Robeson wanted \$50,000,000 in short, that inflation must necessarily take place in order to preserve the credit of the government. Wall street speculated accordingly. The Assistant Treasurer paid out to-day \$18,000 on account of interest and \$64,000 in redemption of 5-20 bonds.

RAILROAD BONDS.

Railroad bonds were firm. Central Pacific sold at 93 1/2; Union Pacific firsts at 84 1/2; Union Pacific incomes at 6 1/2 a 6 3/4, and Canada Southern firsts at 64 1/2 a 65. The late bids were:—
